2024 Walk to End Alzheimer's

Saturday, October 5th
Washington Park, Michigan City

The Walk to End Alzheimer's is held annually in more than 600 communities around the nation. It is the world's largest fundraiser for Alzheimer's care, support, and research. This event encourages people of all ages to join the fight against the disease.

These funds allow the Alzheimer's Association to provide 24/7 care and support as well as advance research towards prevention, treatment, and ultimately a cure.

This year Home Instead will be joining the walk and we would love for each of you to join us! People of all ages are encouraged to attend & it's a wonderful cause that touches each of us directly through our work.

September's Newsletter will include more details for the walk itself as well as fundraising. If you're not able to attend the walk but would like to donate or would like to do both, look out for September's Newsletter or reach out to Salomae!

CAREGiver of the Month— Nancy Breeding

For August we would like to recognize Nancy Breeding as our CAREGiver of the month! Nancy is an incredibly knowledgeable CARE-Giver who keeps compassion and care in the forefront of everything she does. Though having more than a decade of CareGiving under her belt, Nancy is always one to want to learn more! She takes it upon herself to enroll in Empower courses specific to her clients needs , ensuring a personal touch for everyone she sees.

Nancy has been with Home Instead for about 7 years., prior to working here she was a private CareGiver for members of her community. Nancy has always been drawn to helping others, her favorite thing about what she does is all the different people she has the chance to help.

Outside of work Nancy likes to spend her time sewing and making blankets. If you've attended a Plymouth Quarterly meeting, you've seen Nancy working on a blanket or sewing project! Nancy also enjoys spending time with her Husband, Keith, of 43 years and their two children, Dustin & Jason.

Thank you so much Nancy for all you do each and every day!
